

The Rotary Club of Wellington David Bufton Charity Golf Day Monday 4th June 2018 at Shifnal Golf Club

The Rotary Club of Wellington would like to invite you to take part in their 25th Charity Golf Day on Monday 4th June 2018.

This year we will again be competing at Shifnal Golf Club. I am sure we will continue to have a very enjoyable day on a first class course in a beautiful setting. I know that the support offered by Shifnal will meet our expectations.

During the last twenty four years, our Charity Golf day has raised over £46,000 for local charities. This year we are continuing to support local and Rotary charities.

Teams entering the event play for the Gerry Powell Memorial trophy. There will also be prizes for nearest the pin in 2, best points score and nearest the pin at designated holes.

The entry fee is £160 per team - the same as last year. We are inviting entries from ladies and mixed teams, as well as men.

I am hopeful that many of the Teams who have entered in previous years will wish to support our Charity Golf Day once again. Should you not feel able to enter a team we would be equally grateful for your support from sponsorship, donations or raffle prizes.

Please be as supportive and generous as you can by completing and returning this form as soon as possible.

Closing date for entries is 14th May 2018.

Regards

Rotary Club of Wellington
